How to make a difference during lockdown Recycling ideas: remember carrier bags can be recycled in store, including bread wrappers and other fruit and veg plastic bags, as labelled. Confectionery packaging and crisps packets can be recycled through Terracycle. There is a small bin in the Sunshine Room for depositing writing implements. In readiness for a medicine packaging drop off point in the area, please save your empty blister packs. And don't forget ecobricks for plastic stuff you can't recycle anywhere else. These can keep you busy for hours, (and reduce your landfill).

KMC will soon have bins for public drop off by which we will raise money for Transformation. Please start saving the following from landfill -

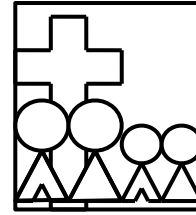

- **RB Hygiene Home Recycling Products.** Dishwashing, cleaning and fragrance flexible packaging from Dettol, Finish, Vanish, and Airwick. Not the plastic bottles or cardboard.
- **Cheese wrappers**, any make, flexible plastic wrappers, film labels and pouches, including nets. No cardboard, paper or trays.
